1st: Ms. Alyssa
3rd: Jordyn
7th: Jacob
9th: Ms. Carrie
9th: Ms. Jenna
10th: Ms. Debbie
11th: Brent
12th: Tyler
12th: Gabriel
14th: Antonio
16th: Owen
16th: Nathan
20th: Giovonni
23rd: Madison
24th: Audrey
27th: Will
29th: Brandon
31st: Hailey
31st: Ms. Michelle

Happy October!!

Fall is in the air! The children have been enjoying the Science Club and are getting excited for the upcoming holiday season. The fall chill is slowly coming back to our area. Please remember to bring in a light jacket for days when it gets chilly. Also, check your child's cubby for a set of weather appropriate change of clothes.

Trunk-A-Treat

We are happy to announce that we will be holding Trunk-A-Treat this year on October 26th. Trunk-A-Treat offers a safe and fun way for your child to experience trick-or-treating at the center. We are looking for creative and enthusiastic parents to sign up to make this event a success! Simply decorate your trunk in a fun fall theme and come prepared to give out candy. All candy must be peanut free. A sign-up sheet will be posted at the front desk.

Notes from the Parent Handbook:

Holiday and Sick Day Deductions:

Our weekly tuition fees are based on yearly operating costs, with weeks containing holidays averaged into the totals. Therefore, no deductions will be made for days the Center is closed for business. In addition, no deductions will be made for days when the child is absent due to illness/vacation/suspension, since Beach Babies must hold open the child's spot. Tuition payment reserves a space for your child.

Curriculum Corner

Learning through play:

Children play throughout the day during routines and experiences. Play is filled with opportunities for children to develop and learn new skills.

Play offers children opportunities to:

- *Make choices
- *Make decisions
- *Solve problems
- *Interact with one another
- *Pursue their interests
- *Experience learning as fun and exciting
- *Build language and literacy skills, discover mathematical relationships, and be a scientist.

"Autumn leaves are falling, filling up the streets; golden colors on the lawn, nature's trick or treat!"

October Events

- 26th: Trunk-or-Treat (10:00 am)
- 31st: Happy Halloween (Orange and Black Day)

Joe Corbi's Fundraiser

It's that time of year again! The Joe Corbi's fundraiser will begin on Monday, October 1st. All orders are due on Monday, October 15th. Last year we were able to raise enough money to purchase 5 IPADS for our classrooms. We hope to raise enough funds to purchase additional classroom materials this year. The classroom that sells the most items will win a pizza party!

Happy Selling!!!
