

BEACH BABIES

MARCH NEWS LETTER

Looking For Parent Volunteers!!

We would love for a family member to come in and share a cultural activity, read a book to the class and/or tell the class about your job. Please let your teacher or Ms. Brenda know if you can come in and share.

Happy St. Patrick's Day!!

March is another very busy month!! Please look at your event calendar daily!!

March is here and spring will be here very soon!! **Please be mindful of the changing weather!!** Check your child's bin to make sure they have two sets of clothes that are weather/size appropriate. You might need to have a heavy and light weight coat each day for your child as well.

It is National Nutrition Month and we will be starting to plant our garden and try new nutritional recipes. If there is anyone who specializes in gardening and would like to give us some pointers **please** let your teacher or Mrs. Brenda know.

We have finally passed out the ASQ's Evaluations. Please fill these out and turn them into the front desk. The ASQ's are 2 evaluations that you fill out online or I can give you a paper copy. The evaluation's help you see how your child is developing!! We are sending out a Parent Survey too. Please fill it out and place it in the pink box in the front lobby.

Picture Day with Teddy Bear Pictures!! March 26. They will take your child's picture in the morning and you can view and purchase them the same afternoon. The Pre-K class will have their picture taken in a cap and gown.

We would like to give a shout out to our wonderful Read-A-Loud volunteers. Thank you so much for giving your time to our children. We love you guys and the time you give means so much!!

We had Mother Goose (who is also a volunteer through Read-A-Loud) come to visit Feb. 20th and the children really enjoyed her visit and we want to say thank you for the book!!

We want to thank Ms. Vicky for doing a wonderful job teaching us Spanish!!

Friendly Reminders/Parent Responsibilities

- ❖ Please **do not** bring **in** food or breakfast items from home.
- ❖ Please remember to LABEL your child's extra clothes and their **JACKETS**.
- ❖ Beach Babies is a smoke free facility. As such, smoking is not permitted in the parking lot.
- ❖ Don't forget to bring in a **Crib sheet and blanket** each week for your child to use at nap time.
- ❖ **Please!** Check your child's cubby. Everyone needs two sets of weather appropriate change of clothes.
- ❖ Each child must have a copy of their **most recent physical on file and up to date contact information**.
- ❖ **Please do not allow your child to bring in toys from home** unless specifically requested by the classroom teacher for use as part of our Creative Curriculum.

Creative Curriculum/5 STARS

We use a Creative Curriculum/HighScope in our class rooms. Creative Curriculum/HighScope uses exploration and discovery as a way of learning and enables children to develop confidence, creativity and lifelong critical thinking skills. So it might look like your child just plays all day but they are learning science, math, phonics, writing and many social emotional skills. The teachers mix free play and teacher directed play so that your child is receiving a holistic approach to learning.

Thank you to everyone who attended our Winter Fest Dance!! It was a blast. Ms. Emmy and Ms. Ashley H. did an awesome job putting it together!!
