Notes from the handbook

Parking Lot Safety: 24.0

There is NO parking, picking up or dropping off in the fire lanes in front of the building except for school buses and delivery trucks. You must park in the parent parking lot. Only vehicles with a handicap designation may park in the handicap-designated parking spots. Please advise anyone authorized to pick up your child of these policies as well. Continued disregard of these policies may result in termination of services for your child.

*** Please drive slowly and carefully when entering the parking lot and when driving through the parking lot. We have lots of little ones we need to keep safe. ***

Ages and Stages

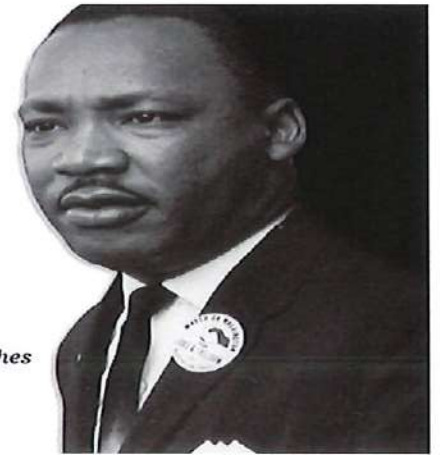

Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. You will be invited to participate in an Ages and Stages Questionnaires, Third Edition, online screening to help you keep track of your child's development. You will be asked to answer questions about some things your child can and cannot do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, and personal social skills. **Completing the ASQ is now mandatory by OCCL.** Please let Ms. Britney know if you have any questions.

Tax Statements

Tax statements will be sent out to families by the middle of January. If families have a specific request with regards to a tax statement, all parties must submit a written request to the front office. Your account must be paid up to date an order to receive statement. Please be sure we have your current email and/or address on file at the office.
