Notes from the Handbook

Absences/Late Arrivals

If your child will not be coming to school please inform the center by 9:30am. *Your child may not be permitted to attend after 9:30am if you do not contact the center.* If the absence is due to illness, we will need to know the diagnosis. We will need to determine if other families in the class or center should be made aware of the illness. The name of your child will be kept confidential. Receiving advanced notification assists staff in preparing activities and meals. We cannot hold breakfast/lunch if your child is not at the center when we serve the meal. Please make sure they eat prior to arriving.
