MAY

Happy May! Spring is flying by and we are quickly approaching summer. This month we are looking forward to Teacher Appreciation Week, Mother's Day, and Memorial Day. The weather is warming up and we have begun to prepare for summer. If your child attends our school age program or is going into Kindergarten this fall, you must register for our Summer Camp program in order to attend for the summer, unless your child is not yet five years old. Please register ASAP as spots are very limited and are filling up fast!

Teacher Appreciation Week

Teacher Appreciation Week is May 2nd to May 6th. Early childhood teachers are truly a unique and talented work force. They arrive at work every day prepared to enlighten young minds and touch young hearts. Although we appreciate our teachers for all that they do, this appreciation sometimes goes unmentioned. Please join us in celebrating our talented teachers this week!

*A good teacher can inspire hope, ignite the imagination,
and instill a love of learning.*
