## OCTOBER

Happy October! Fall is in the air and we have many exciting things to look forward to. With the changing weather outside please make sure that your child has a set of weather appropriate change of clothes in their cubby. Along with that, it is a good idea to bring a light jacket to the center as the children go outside every day. We have some fun fall events planned for the month of October. Please be sure to read over the newsletter and mark your calendar for important dates ahead!

### Colorful Creations with Ms. Britney

Ms. Britney will be providing an additional fun filled six -week curriculum for the Two's, Three's, and Four's, *Colorful Creations with Ms. Britney*. Ms. Britney's curriculum will include learning opportunities for children to express original ideas and feelings, improve their coordination, learn to recognize colors and textures and develop creativity and pride in their accomplishments by exploring and using art materials. Ms. Britney is looking forward to getting creative with the kiddos every Tuesday, from October 12<sup>th</sup>- November 16<sup>th</sup>.

### Joe Corbi's Fundraiser

It's that time of year again! The Joe Corbi's fundraiser began on Friday, September 24<sup>th</sup>. All orders are due by Friday, October 8<sup>th</sup>. We hope to raise enough funds to purchase additional classroom materials this year. The classroom that sells the most items will win a pizza party! Happy Selling!

## Easy Halloween Bark

## Ingredients

- Chocolate graham crackers
- 2 (16 oz) packages of vanilla candy coating or almond bark
- Candy for topping. I used Autumn M&Ms, candy corn, sprinkles, and Wilton candy eyeballs. You can use any combination of candy, sprinkles, or nuts.

## Instructions

1. Line the bottom of a cookie sheet with a single layer of chocolate graham crackers.
2. In a microwave safe bowl, carefully melt the vanilla candy topping or almond bark, making sure to stir often.
3. Pour the melted vanilla candy topping or almond bark over the chocolate graham crackers, and spread it evenly over the entire pan.
4. Put on the candies and sprinkles. After all the candy is on, put the dish aside to allow the the candy coating to settle and become firm.
5. After the candy coating, break apart the bark and enjoy!
