OCTOBER

Happy October! Welcome to SPOOKY SEASON! Fall is in the air and we have many SPOOKTACULAR things to look forward to. We have some fun fall events planned for the month of October. Please be sure to read over the newsletter and mark your calendar for important dates ahead!

Friendly Reminders

- Please remember to sign your child in and out using ProCare.
- If your child is staying home for the day, we would greatly appreciate a message via ProCare so we can plan staff accordingly.
- Outside food/drinks other than water are prohibited in the building unless a doctor's note is provided to the front office. Please keep that in mind when dropping off in the morning. We serve breakfast at 8:30am. If you feel your child may be hungry before then, please fill up their tummies before arrival so we have a building full of happy kiddos!
- Please remember to bring in naptime items every Monday and take them home every Friday to be washed.

With the start of fall, the crisp fall air has arrived as well. Please make sure that your child has two sets of weather appropriate change of clothes in their cubby. Also, please bring or keep a light jacket in your child's cubby. They go outside daily; weather permitting to play and explore the outdoors!

Trunk or Treat

We are happy to announce that we will be hosting Trunk or Treat this year on Thursday, October 29th from 10:00-11:00 am. Trunk or Treat offers a safe and fun way for your children to experience trick or treating at the center. We are looking for creative and enthusiastic parents to sign-up and donate candy to make this event a success! Simply decorate your trunk in a fun theme and come prepared for the little trick or treaters! Please make sure all candy is peanut free. **A sign-up sheet will be posted at the front desk for those that want to participate in the trunk or treat.** Parents are more than welcome to come out and watch their child trunk or treat, please refer to the times below.

Easy Halloween Bark

Ingredients

- Chocolate graham crackers
- 2 (16 oz) packages of vanilla candy coating or almond bark
- Candy for topping. I used Autumn M&Ms candy corn, sprinkles, and Wilton candy eyeballs. You can use any combination of candy, sprinkles, or nuts.

Instructions

1. Line the bottom of a cookie sheet with a single layer of chocolate graham crackers.
2. In a microwave safe bowl, carefully melt the vanilla candy topping or almond bark, making sure to stir often.
3. Pour the melted vanilla candy topping or almond bark over the chocolate graham crackers and spread it evenly over the entire pan.
4. Put on the candies and sprinkles. After all the candy is on, put the dish aside to allow the candy coating to settle and become firm.
5. After the candy coating, break apart the bark and enjoy!
