OCTOBER

Happy October! Fall is in the air and we have many exciting events happening at the center. The children have been enjoying learning about Conscious Discipline with Ms. Maggie and are looking forward to the upcoming holiday season. Please read over the events portion of the newsletter to make certain that you are aware of all the fun activities for October!

Trunk-Or-Treat

We are happy to announce that we will be holding Trunk-or-Treat this year on October 25th. Trunk-or-Treat offers a safe and fun way for your child to experience trick-or-treating at the center. We are looking for creative and enthusiastic parents to sign up to make this event a success! Simply decorate your trunk in a fun fall theme and come prepared to hand out candy. All candy must be peanut free. A sign-up sheet will be posted at the front desk.

NOTES FROM THE FAMILY HANDBOOK

Holiday and Sick Day Deductions:

Our weekly tuition fees are based on yearly operating costs, with weeks containing holidays averaged into the totals. Therefore, no deductions will be made for days the center is closed for business. In addition, no deductions will be made for days when the child is absent due to illness/vacation/suspension, since Beach Babies must hold the child's spot. Tuition payment reserves a space for your child.

Curriculum Corner

Learning through play: Play serves many purposes and provides an excellent vehicle for learning. By handling many different materials, children learn to observe, compare, sort, and sequence. Their knowledge grows as they experiment, make discoveries, and modify their current thinking to incorporate new insights. Adults and more knowledgeable peers enhance a child's ability to learn through play because they model and encourage more advanced skills. Each of our classrooms at Beach Babies are setup to enhance play and promote learning.

Joe Corbi's Fundraiser

It's that time of the year again! The Joe Corbi's fundraiser will begin on Monday, September 30th. All orders are due on Monday, October 14th. Last year we were able to raise enough money to purchase new dramatic play kitchen sets for some of our classrooms. This year we hope to raise enough money to purchase materials to improve our resource room. The classroom that sells the most items will win a pizza party!

Happy Selling!!!
