WE HAD AN AWESOME SUMMER!!

I would like to thank everyone for such a wonderful summer. The children seemed to enjoy their splash Days and especially their Ice Cream Day!!

We are also looking forward to a fun filled fall. We will be having our Open House September 21st. This will give you a chance to meet your child's teachers, ask them any questions you may have and see what exciting activities they have planned for your child this year. We love to encourage parent involvement and have several fall activities that we would like your help with: Picture Day, Fall Fest, Trunk-A-Treat and our Fall Parties are only a few. I have attached a September Events sheet to this newsletter so you can know all the fun activities we have planned. We also would like to invite you to share any special talent, profession, recipe, activity, and/or cultural tradition that you may have with us. We know how important it is for your child to see your involvement in their classroom.

OPEN HOUSE 2017

Open house will be held on Thursday, September 21st from 6-7 this year. All families and children are welcomed! Open house is a great opportunity to learn about your child's classroom and find out what they will be learning this fall. Each class chose their own individual themes for open house. We are very excited to see what each classroom has come up with. Open house will be filled with tons of great information, small activities, and light refreshments (catered by Food By Design). Hope to see you all there!
