21st: Grace
22nd: Everly
23rd: Ms. Britney
24th: Raegan
29th: Isabella
29th: Cecilia
31st: Reagan

The summer is flying by and we are thrilled to be open for business. The children have done a wonderful job transitioning back into the program. We would like to thank all of our wonderful staff for returning and making this process run as smooth as possible. Along with that, we would like to thank all of our families for their flexibility and patience during these unprecedented times.

Coronavirus Update

We have made several changes to our program since reopening to help stop the spread of the Coronavirus. The staff are washing hands more frequently and sanitizing toys throughout the day. In addition, each classroom has been rearranged to help spread the children out and soft materials have been removed to make disinfecting the classroom easier. Finally, our school age children have all been doing a fantastic job wearing face masks throughout the day while at the center.

Friendly Reminders

- Please bring in a sheet and a blanket for nap time on Monday's.
- Open toed shoes are not permitted at the center. Please put closed toed shoes on your child each day to help us protect their toes!
- Payment for childcare is due each Monday. Tuition that has not been paid by Friday may result in an interruption of childcare services.
- Please apply sunscreen each morning to your child at drop off. The teachers will reapply sunscreen in the afternoon.
- Outside food is not permitted in the center unless it is for a designated "Party Day." Please have your child finish any food item before coming into the center.
- We are asking that all families arrive at the center by 9:30 am unless you have a scheduled doctor's appointment. If you are going to arrive after 9:30 am please notify the center before 9:30 am.

Monthly Goals

Each month the teachers develop individualized monthly goals for the children. These goals help the teachers create their lesson plans and make sure that the children are meeting key developmental milestones. At the beginning of each month we will have the monthly goals at the front for you to review and sign.

Brightwheel

Have you heard of Brightwheel? Brightwheel is a mobile app that we use at the center to communicate with our families. The teacher's use Brightwheel every day to communicate important information about your child. With Brightwheel you can see what your child ate for the day, when their diaper was changed, and how well they slept at naptime. In addition, the teachers will upload photos of your child and can communicate with you directly through the message feature. If you do not have Brightwheel, please see the office so we can assist you in getting setup. Unfortunately, we do not currently offer Brightwheel for our School Age children but we will keep you posted!

August Theme Days

August 7th: Wild West Day

August 14th: 80's Day

August 21st: Pajama Day

August 28th: Animal Print Day
