All Team Members of Beach Babies Child Care are considered Mandated Reporters, under this law.

Team members are required to discuss any suspicions of child abuse/neglect with the School Administrator, who will make all reports of suspected child abuse/neglect on behalf of Beach Babies Child Care to the Delaware Department of Services for Children, Youth and Their Families.

The team members of Beach Babies Child Care are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior, or condition prior to making a report, under the Act. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

Team members should also not question children about any suspicions.

**GUIDELINES ON CHILD ABUSE**

The following pages contain information relating to child abuse. It is extremely important to make yourself familiar with the information, especially the parts pertaining to the characteristics of battered children and the indicators of child neglect. If you have any suspicions or concerns regarding a child, please get in touch with the School Administrator and begin to keep an anecdotal record of the child.

**CHARACTERISTICS OF BATTERED CHILDREN**

Abused children endure life as if they are alone in a dangerous world, with no real hope of safety. Feeling unprotected, an abused child tries to protect himself in all the ways he can.

When a child has been injured and is brought for treatment, the child usually appears to:

*Have no close feelings or affect with parents or other people.*

*Be fearful. Be quiet.*

*Show no reaction to pain or expectation of being comforted.*

Having had violent physical contact with adults in the past, the child is often:

*Wary of physical contact initiated by an adult.*

When admitted to a hospital ward, the battered child:

*Seems less afraid than other children and settles in quickly.*

When other children cry, the battered child:

*Becomes apprehensive and watches them with curiosity.*

The battered child will also become:

*Apprehensive when an adult approaches the crying child.*

While in a new situation, the child:

*Seeks safety in sizing up the situation and being alert for danger.*

Children who have been battered do not behave as typical children do.

*They display many adult-like reactions.*

### **INDICATORS OF CHILD NEGLECT**

There are various characteristics that can describe child neglect in general, but for clarity, neglect can be divided into two (2) subgroups: physical and emotional neglect. These two (2) aspects contribute to each other and rarely occur separately. The following are characteristics that may indicate physical neglect:

1. Malnourished
2. Ill-clad or dirty
3. Overcrowded or unhealthy sleeping arrangements
4. Receiving inadequate supervision
5. Totally unsupervised

Many of the above mentioned characteristics are also indicative of emotional neglect, along with the following:

1. An insecure child, seemingly withdrawn or overaggressive
2. Failure to attend school regularly
3. Constant friction in the home
4. Exposure to unwholesome and demoralizing circumstances
5. Denied normal nurturance

### **REPORTING CHILD ABUSE IN DELAWARE**

If you suspect a child under the age of 18 is being abused or neglected or is at risk for abuse or neglect, you should make a report to the Division of Family Services by calling 1-800-292-9882 within the State of Delaware. Out of state calls are to be made to 302-577-6550. The phones are answered 24 hours a day, 365 days a year by Division of Family Services' team member.

### **IMMUNITY FROM CIVIL OR CRIMINAL LIABILITY AND/OR EMPLOYMENT ACTION:**

Any person who reports abuse or neglect, pursuant to the law or testifies in a child abuse hearing resulting from such a report, is immune from any criminal or civil liability as a result of such action. As mandated reporters, team members of Beach Babies Child Care cannot be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith." Further, the team member is immune from discharge, retaliation, or other disciplinary action for reporting under the Child Protective Services Act unless it is proven that the

report is malicious.

### **PENALTY FOR FAILURE TO REPORT**

Any person who knowingly fails to report suspected abuse or neglect, pursuant to the law or to comply with the provisions of the law is a disorderly person and subject to a fine of up to \$500.00 or up to six months' imprisonment or both.

### **Causes for reporting suspected child abuse or neglect include, but are not limited to:**

**POLICY: COBRA**

**POLICY NO.: 5.6**

Under a federal law called the Comprehensive Omnibus Budget Reconciliation Act of 1986 (COBRA), most employers sponsoring group health plans must offer an extension of health coverage (called "continuation coverage") to their team members at group rates under certain circumstances when coverage would otherwise end. We at Beach Babies Child Care abide by the requirements of COBRA. The circumstances which qualify for an extension of coverage are called "qualifying events." Below is a list of qualifying events for yourself, your spouse, and your dependent children.

**Qualifying Events for Yourself:**

- ◆ A reduction in hours worked makes you ineligible for coverage.
- ◆ Termination of employment for reasons other than gross misconduct on your part

**Qualifying Events for Your Spouse:**

- ◆ Death of team member (yourself).
- ◆ Termination of your employment for reasons other than gross misconduct.
- ◆ A reduction in team member's hours worked.
- ◆ Divorce or legal separation.
- ◆ Team member becomes eligible for Medicare.

**Qualifying Events for A Dependent Child:**

- ◆ Death of team member-parent.
- ◆ Termination of parent's employment for reasons other than gross misconduct.
- ◆ A reduction in parent's hours worked.
- ◆ Parent's divorce or legal separation.
- ◆ The dependent ceases to be a dependent child under the health plan.

You or a member of your family must inform the Beach Babies Child Care of a divorce, legal separation, or a child losing dependent status within 60 days of the event. Beach Babies Child Care has the responsibility for notifying you or your family of continuation options within 14 days of your death, termination of employment, reduction in hours, or Medicare entitlement.

COBRA requires coverage be continued for a maximum of 18 months if you lose group coverage due to termination of employment or a reduction in hours. A second qualifying event, such as divorce or a dependent child losing dependent status may occur to your dependents while coverage is already being continued. If so, the continued dependents will be eligible for additional months of continued coverage, up to a maximum of 36 months from the date group coverage was first terminated. If group coverage is terminated because of death of the team member, divorce, legal separation, the team member's entitlement to Medicare, or dependent child losing dependent status, coverage may be continued for 36 months.

Your continuation coverage may be cut short for any of the following 3 reasons:

1. Beach Babies Child Care no longer provides group health coverage to any of its team members.
2. The premiums for your continuation coverage are not paid.

3. You become covered under Medicare or another group health plan.

For additional information about continuation coverage, please contact Director of Human Resources or Administrator.

If the team member has a serious health condition, the certification must state that the team member cannot perform the functions of her or his job. A team member may be required to update their medical certification every 30 days to show continued need/eligibility to use FMLA leave.

### BENEFITS COVERAGE DURING LEAVE

During a period of FMLA Leave, a team member will be retained on Beach Babies Child Care health plan under the same conditions that applied before the leave commenced.

A team member is not entitled to the accrual of any employment benefits that would have accrued if not for the taking of leave. A team member who takes FMLA Leave will not lose any employment benefits that had accrued before the date leave began.

### RESTORATION TO EMPLOYMENT

A team member eligible for FMLA Leave (with the exception of those team members designated as "highly compensated team members") will be restored to her or his old position or to a position with equivalent pay, benefits, and other terms and conditions of employment. Beach Babies Child Care cannot guarantee that a team member will be returned to her or his original job. A determination as to whether a position is an "equivalent position" will be made by Beach Babies Child Care

### RETURN FROM LEAVE

A team member must complete a "Notice of Intention to Return from Family or Medical Leave" before she or he can be returned to active status. If a team member wishes to return to work prior to the expiration of all available FMLA Leave time, the team member must notify her or his supervisor at least 5 working days prior to the team member's return.

### FAILURE TO RETURN FROM LEAVE

The failure of a team member to return to work upon the expiration of all available FMLA Leave time will subject the team member to immediate termination unless an extension is granted.

A team member, who requests an extension of FMLA Leave due to the condition, recurrence, or onset of her or his own serious health condition, or of the serious health condition of the team member's spouse, child, or parent, must submit a request for an extension, in writing, to the team member's supervisor.

This written request must be made as soon as the team member realizes that she or he will not be able to return at the expiration of the leave period. Beach Babies Child Care will not grant FMLA Leave in excess of the 12 weeks as required under the FMLA, however, team members may be eligible for Unpaid Leave under other policies.

## **POLICY: DISCIPLINARY PROCEDURE**

**POLICY NO.: 9.4**

Beach Babies Child Care uses progressive discipline as a way to correct a team member's job performance. This is not a contractual obligation because Beach Babies Child Care team members are "at-will" which means a team member can be terminated at the will of Beach Babies Child Care. The following are steps which may be taken using progressive discipline.

### **STEP 1: Verbal Warning**

- If a team member's job performance is not meeting Beach Babies Child Care standards outlined in this personnel manual, they will be verbally informed and reminded of possible disciplinary actions if performance does not improve. Suggestions on ways to improve may be discussed. Verbal warnings may be given for violations of Beach Babies Child Care policies including but not limited to tardiness, failure to follow procedures, etc.
- Verbal warnings will be discussed, documented, signed by the team member, and issued by the Administrator, and placed in the team member's team member file.

### **STEP 2: Written Warning**

- See Policy 9.4B

### **STEP 3: Termination**

- See Policy 9.8

## **POLICY: WRITTEN WARNING**

**POLICY NO.: 9.4A**

Team members may be given a written warning for violations of agency policies and procedures. The written warning will clearly describe the deficiency in the performance or conduct and will cite the policy, licensing regulation or procedure violated. The written warning will contain a corrective action plan, which will outline the necessary action to correct the deficiency (ies) and a time table under which the corrective action must occur.

Team members are required to sign for receipt of a written warning. Signature of receipt does not indicate that the team member agrees with the written warning, it simply indicates that they have received a copy of the document. Failure or refusal to sign the written warning will be considered insubordination and will result in disciplinary action up to and including termination.

Copies of all documentation regarding corrective action plans will be sent to the Owners.

## **POLICY: PROBATION**

**POLICY NO.: 9.5**

In conjunction with any other form of disciplinary action, the Administrator/Director may place any team member on a probationary status. Typically, the probationary status will last as long as the proscribed corrective action plan but may be for any period of time deemed appropriate by Administrator/Director for up to 6 months. Probationary status and length of probation will be included on the Corrective Action Plan.

While on Probation and team member is not permitted to use any accrued Paid Time Off.: [except as required under FMLA Policy 6.9 for qualifying FMLA related absences]. Team member may also not be eligible for other benefits while on probation including but not limited to holiday pay, & discounted child care.

Any violation of agency policy while on Probation will result in immediate termination. Probation is a form of last chance agreement between Beach Babies Child Care and the subject team member. By placing a team member in a probationary status, Beach Babies Child Care is indicating that the team member's workplace conducts and/or job performance is far below acceptable standards, but that Beach Babies Child Care wants to give the subject team member one final chance to meet the expectations of the position description and policies set forth in this manual, licensing regulations and all applicable accreditation standards.

### **POLICY: LOSS OF ACCRUED PTO**

**POLICY NO.: 9.5A**

At the discretion of Administrator/Director, as a form of disciplinary/corrective action, team members may have time deducted/forfeited from their accrued paid time off. The deducted/forfeited time will not be available for the team member to use for any approved paid time off.

If a team member has submitted and had a paid leave request approved and then has time deducted/forfeited from their paid time off as a disciplinary/corrective action prior to taking the approved leave, they will only be paid for the remaining balance of paid time off for the approved leave. For example, on April 1<sup>st</sup> a team member submits a paid leave request for 40 hours of time off from April 25<sup>th</sup> to 30<sup>th</sup> and the employer approves the request. The team member has 42 hours of paid time off available. However, on April 12<sup>th</sup> the team member is 35 minutes late for work and is disciplined with a deduction/forfeiture of 4 hours from their paid time off leaving them with only 38 hours of paid time off. The approved leave request will only be paid up to the maximum available paid time off; in this example 38 hours.

This form of disciplinary/corrective action may be used in conjunction with any other disciplinary action included herein.

Examples of instances whereby a team member may have time deducted/forfeited from their accrued paid time off may include but are not limited to:

1. For every portion of 10 minutes and team member reports late for duty the employer may deduct 1 hour of accrued paid time off from a team member's leave account.
2. For any day in which the team member fails to report for duty without calling out according to POLICY 4.0, the team member will not be paid for the day and will have up to the number of hours for which they were scheduled to work deducted/forfeited from the team member's leave account.
3. Any circumstance under which the supervisor deems it appropriate to enforce any other disciplinary action with a deduction/forfeiture of paid time off.

The team member will be informed in writing at the time of the Disciplinary Action that the consequence of deducting/forfeiting paid time off will be applied. The team member will be informed of the number of hours that will be deducted/forfeited from their paid time off and their remaining, available paid time off hours after the deduction/forfeiture is applied.

If a team member is not eligible for paid time off, this policy cannot be applied. If a team member has used all available paid time off but will accrue additional paid time off in the future, the employer may inform the team member that the deduction/forfeiture will be applied once the paid time off is accrued at some future date.

**POLICY: INVESTIGATORY SUSPENSION**

**POLICY NO.: 9.6**

The Administrator may suspend a team member for Investigatory purposes. The Investigatory Suspension can be with or without pay as determined by the Owners and will result in either full reinstatement with back pay, if appropriate, or further disciplinary action, including termination.

1. Charges of driving while intoxicated.
2. Report of child abuse or neglect.
3. Accusations of theft.
4. Violation of Substance Abuse Policy.
5. Other similar situations.

Team members are required to sign for receipt of an Investigatory Suspension. Signature of receipt does not indicate that the team member agrees with the Investigatory Suspension, it simply indicates that they have received a copy of the document. Failure or refusal to sign the Investigatory Suspension will be considered insubordination and will result in disciplinary action up to and including termination.

**POLICY: SUSPENSION**

**POLICY NO.: 9.7**

Suspension of a team member may occur at the discretion of the team member's immediate supervisor for infractions of these personnel policies, licensing regulations and/or other applicable standards. Suspension of a team member will not require prior verbal or written disciplinary action. The suspension notice will contain a corrective action plan, which will outline the necessary action to correct the deficiency(is) and a timetable under which the corrective action must occur.

Suspension will be without pay.

The team member will be notified in writing of the policy violations and the length of the suspension, and any corrective action required upon return to work. Team members are required to sign for receipt of the suspension notice and indicate that they will complete the corrective action. Signature of the receipt does not indicate that the team member agrees with the Suspension nor is it a confession of guilt or admission of fault, it simply indicates that they have received a copy of the documentation and understand the corrective action they are required to complete. Failure or refusal to sign the Suspension notice will be considered insubordination and will result in further disciplinary action up to and including termination.

When circumstances permit, a team member will be suspended upon receipt of the written notification. However, a team member may be suspended verbally if immediate suspension is in the best interest of Beach Babies Child Care. Written notification in these circumstances will promptly follow via certified mail. Suspension by verbal notice may be taken by the immediate supervisor followed immediately by written approval of the School Administrator.
